"...a fun and convenient way to make a positive impact on the community and also make extra money."

"I love the people I work with and also I think it serves an important purpose. . .it's a great job and really rewarding."

"This is probably one of the best jobs I've ever had (My bosses) are so kind! They really care about their employees! It's also a very low stress job."

****Our mission:** We feel strongly that all students, regardless of family income, location, school and extra-curricular schedules should have the opportunity to present their strongest college application.
